COVENANT CUP 2024

DRIVING CHANGE FOR SENIORS' HEALTH ACROSS ALBERTA

Thank you for driving change for seniors in your community.

Thanks to the incredible generosity of supporters like you, our Covenant Cup presented by Bird Construction raised over \$146,000 to enhance seniors' health and well-being across the province. This event was more than just a fundraiser; it was an opportunity to unite you and others in our community and cultivate passionate ambassadors for the foundation and our cause. Your involvement—whether through sponsorships, participating in the tournament, or spreading the word—helped elevate awareness and engagement around seniors' care.

Caring for seniors is a cause that resonates deeply with all of us. Whether you have a loved one who is a senior now or you envision your future self needing care, it's essential that we work together to ensure the best possible support and resources are available. Thanks to you, the funds raised through Covenant Cup will directly benefit seniors' programs and initiatives, improving access to technology, training, and quality-of-life enhancements that help seniors maintain their independence and connection to the community.

Your commitment to this mission is truly impactful. The support and friendships forged through this tournament are a testament to our shared dedication to improving care for our elders. Thank you for being an integral part of this journey. We look forward to seeing you at our future Covenant Cup events where we will continue to make a difference together!

Thank you to our partners at Bird Construction

"Seniors built the very fabric of our community and we all have loved ones who are seniors in our lives. Now it's our turn to support them so they can live with dignity and comfort."
