

# COMMUNITY CELEBRATION SENIORS' MONTH 2024

Thank you for championing seniors in your community.

Thanks to the tremendous generosity of supporters like you, we raised more than \$96,900 during our first-ever Seniors' Month campaign, presented in partnership with Bird Construction. Throughout June, we watched you take action—whether you donated, supported through your 50/50 tickets, hosted a fundraiser, volunteered, or helped us spread the word, none of this would have been possible without you.

Your generosity will support investments in seniors' care at 22 Covenant hospitals and continuing care sites, funding much-needed technology and innovation, training and education, and quality-of-life initiatives and programs that help keep seniors connected to their communities, improve their mobility and independence, and ensure they can enjoy the best health possible.

Your role in innovating care for seniors across Alberta is significant. The advancements in care today—which benefit our parents, grandparents, and elders—are a testament to your generosity. They ensure that innovation in care continues, benefiting all of us as we age. Thank you for being a vital part of this transformative journey!

**Thank you to our partners at Bird Construction**

“Partnering with Covenant Foundation for its Seniors' Month campaign is our way to say thank you to the Covenant teams who take excellent care of Albertans. It's also a chance for us to give back to the seniors around us who built the very fabric of our community.”

"We know the importance of the generous donors who help equip our team with the specialized tools we need to provide the best care possible. Running a fundraiser for Seniors' Month was a fun way for us to build on that support and say thank you to the seniors who built our town into what it is today."
